Name:_____

Please respond to the following items by choosing the number (1 - 7) that most closely reflects your opinion. Do NOT circle the words below the items, only the numbers.

When answering these items focus on general chemistry specifically.

I interact with my instructor

        Infrequently   1   2   3   4   5   6   7   Frequently

In class, I ask questions

        Infrequently   1   2   3   4   5   6   7   Frequently

In class, I interact with my peers

        Infrequently   1   2   3   4   5   6   7   Frequently

I am motivated to learn chemistry

        Infrequently   1   2   3   4   5   6   7   Frequently

I have trouble focusing in my chemistry class

        Infrequently   1   2   3   4   5   6   7   Frequently

I feel the different topics taught in chemistry are connected to each other

        Infrequently   1   2   3   4   5   6   7   Frequently

I did attend class regularly

        Infrequently   1   2   3   4   5   6   7   Frequently

The amount of work in this course was challenging

        Disagree   1   2   3   4   5   6   7   Agree

The course content was difficult for me

        Disagree   1   2   3   4   5   6   7   Agree

The structure of the class supports the learning of chemistry

        Disagree   1   2   3   4   5   6   7   Agree

I did enjoy the course overall

        Disagree   1   2   3   4   5   6   7   Agree

For this item, circle the number two

        Disagree   1   2   3   4   5   6   7   Agree

The concepts from the lecture portion of the course connect to the lab portion

       Disagree   1   2   3   4   5   6   7   Agree

I understand chemistry better because of the lab activities

       Disagree   1   2   3   4   5   6   7   Agree

I did enjoy the laboratory activities

       Disagree   1   2   3   4   5   6   7   Agree

I enjoy thinking about chemistry outside of my course work

       Disagree   1   2   3   4   5   6   7   Agree

I felt well-prepared for this course

       Disagree   1   2   3   4   5   6   7   Agree

I can handle dealing with academic setbacks

       Disagree   1   2   3   4   5   6   7   Agree

I am generally curious about chemistry

       Disagree   1   2   3   4   5   6   7   Agree

I feel confident in my ability to complete my chemistry course with a passing grade

       Disagree   1   2   3   4   5   6   7   Agree
